

### **Welcome to Quiksilver Bali Surf Academy**

More than just catching waves, we teach ocean safety, deliver a local cultural experience and have options for the entire family.

Drop your kids off for a lesson while you relax and enjoy the surrounding area. Learn about local surf history and culture from locals who live it. Stay active and healthy while having an unforgettable experience.

Quiksilver Bali Surf Academy is located within the Mamaka Hotel on the beautiful shores of Kuta Beach. It's a great place to swim or surf with little ones, sway under the palm trees sipping a coconut or beer, and soak up the magic that Bali has to offer.

## About Us

Quiksilver Bali Surf Academy is family owned by Balinese surf pioneer Made Switra and Australian wife Holly Monkman. A sponsored professional surfer in her youth, Holly later helped develop the careers of world tour surfers like x7 world champion Stephanie Gilmore, Caroline Marks, Bronte Macaulay and x2 world longboard champion Kelia Moniz as Roxy's Global Sports Marketing Manager. She brings over two decades of professional surfing and surf industry experience to the academy.

Made is one of Bali's most famous surfers, as well as one of the island's most successful and respected locals. He has travelled the world surfing as a sponsored Quiksilver team rider, including being the first Balinese surfer to travel to Hawaii and make a name for himself surfing Pipeline with the likes of Gerry Lopez and the Ho Brothers. Made's grandfather also found the first board made and surfed in Bali, which now hangs on display (under lock and key) at the family home.

In this 1-hour lesson we'll help teach you the basics of riding waves in the white water, the importance of surfing safely & help give you confidence in the ocean to surf with a smile.

### GROUP SURF LESSON

We have group surf lessons for both beginner surfers with no surfing experience and intermediate surfers looking to push their skills to the next level. Each group lesson will be divided into smaller focus groups based on skill level and experience. We guarantee an instructor for every three surfers.

If you wish to surf for just 1-hour simply book into our 'Intro To Surf Lesson' you will complete your lesson when we take a water break after our first surf session. The 2-hour lesson is more involved with getting you up and surfing by yourself.

## FAQ

### **WHICH METHODS OF PAYMENT DO YOU ACCEPT?**

We accept all major credit cards and Indonesian Rupiah.

### **WHAT'S INCLUDED IN THE PRICE?**

You'll receive a UV surf shirt, a surfboard, sun screen, fresh drinking water, a clean towel & 1-hour free surfboard hire for practice when you book one of our 2-hour lessons.

### **IS TRANSPORT INCLUDED IN THE PRICE?**

No our prices don't include transport. Our friendly staffs are able to arrange much cheaper transport options than local hotel and villa businesses. Please contact us for price details.

### **CAN WE USE SURFBOARD TO PRACTISE AFTER LESSON?**

Our customers get a 1-hour board rental after they have taken their first 2-hour surf lesson. After that we charge IDR 150.000 for an hour or IDR 200.000 for a day.

### **ARE THE SURF INSTRUCTORS QUALIFIED?**

Yes. The entire team are certified through the international Surfing Association's coaching program. This means they're not only trained to make your learning experience enjoyable, but have their bronze medallion for surf lifesaving and surf rescue, advanced resuscitation and senior first aid.

**WHAT SHOULD I BRING?**

Just bring a pair of shorts or swimsuit to surf in, we provide a UV surf shirt, sun cream, towel and fresh drinking water.

**IS THERE SOMEWHERE SAFE TO LEAVE MY BELONGINGS?**

Yes we have both private lockers and a safe for any expensive jewellery or precious belongings.

**DO YOU HAVE CHANGING ROOMS & TOILETS?**

Yes we now have brand new surf academy so our toilets and shower are very clean with warm water for the showers and separate male and female area.

**CAN YOU LEARN TO SURF IF YOU'RE NOT A STRONG SWIMMER?**

Yes. We'll only take you into waist-deep water for your first lesson and progress your surfing at a level you're confident with. We treat everyone individually in-group lessons and will make sure you feel comfortable in and out of the ocean.

**CAN CHILDREN AS YOUNG AS 4 YEARS OLD LEARN TO SURF?**

We are hands on with children and keep a close hold of them for the entire lesson, unless we're completely confident with their swimming ability. Keeping children happy and confident in the ocean is our goal so we'll only progress their surfing at a level they're comfortable with.

## FAQ

### **WILL I HAVE THE ABILITY TO SURF BY MYSELF IF I TAKE X3 LESSONS?**

Learning to surf is not like snowboarding as the ocean is forever changing, so we can't promise you'll be on your way after 3 lessons. What we can promise is you'll be able to paddle and catch your own waves, stand-up and ride the wave. The next and most important part to surfing is learning about the ocean and her elements.

### **WHY ARE YOUR LESSONS AT A SET TIME, CAN I REQUEST A DIFFERENT TIME?**

We set our surfing lessons times around the tide. The tide's high and low height changes every day so we like to hold lessons during a mid tide as this is when conditions are the most enjoyable and safe.

If you're an intermediate surfer looking to book a lesson then send us a message on whatsapp and we can tell you the best time to book a lesson and progress your surfing.

### **HOW CAN I FIND QUIKSILVER BALI SURF ACADEMY?**

QBSA is now located at the reception area of The Mamaka Hotel on JL Pantai Kuta. Just 500m walk from the famous Beachwalk Mall.
