

Wine List

.MISTER.
PERCY

Fun & flavour go hand in hand, and no celebration is complete without the perfect match for every person. At Mister Percy, we believe life is to be shared, enjoyed & discovered every single day.

Quartino is the word used by the Italians to describe a quarter-litre (250ml) carafe of wine. It is a little glass pitcher that can be enjoyed solo with a good book or shared over convivial conversation with old & new friends alike.

A Semi is what we here at Mister Percy use to describe a Half Bottle (375mls) of wine. Perfect to share with a friend, a colleague or family. We serve wines not only by the glass but by the Quartino and Semi because at Mister Percy we believe that enjoyment should never end at just one glass...

Our wine list is a vast and ever-changing range, taking inspiration from one of the oldest inhabited regions in the world, the Mediterranean. Separated by the countries that the variety of grape were originally cultivated in or, at the very least, the country most people can agree they were originally from.

Yes, some people might take issue with this but to them we say come in, sit down and enjoy a glass of wine with us!

Org. – Organic practices
Bio. – Biodynamic practices
Lo. – Low on Preservatives
Ve. – Vegan
