

Wine List

**.MISTER.
PERCY**

Fun & flavour go hand in hand, and no celebration is complete without the perfect match for every person. At Mister Percy, we believe life is to be shared, enjoyed & discovered every single day.

A Semi is what we here at Mister Percy use to describe a Half Bottle (375mls) of wine. Perfect to share with a friend, a colleague or family. We serve wines not only by the glass but by the Semi because at Mister Percy we believe that enjoyment should never end at just one glass...

Our wine list is a vast and ever-changing range, taking inspiration from one of the oldest inhabited regions in the world, the Mediterranean. Separated by the countries that the variety of grape were originally cultivated in or, at the very least, the country most people can agree they were originally from.

Yes, some people might take issue with this but to them we say come in, sit down and enjoy a glass of wine with us!
