EVENTS WITH ATTITUDE

Whether it's for work or pleasure, or a bit of both, the most memorable occasions typically take place in memorable locations. Yes, admittedly we're somewhat biased. The way we see things, few locations can rival Ovolo Central, situated right in the buzzing heart of Hong Kong. If you are seeking an inspired setting with sophisticated design and character, well you've found it. Say goodbye to non-events. Say hello to Ovolo Central!

The image shows a modern, high-ceilinged bar area. On the left, there are large, multi-paned windows with dark frames, offering a view of greenery and buildings outside. The bar counter is dark and speckled, with several bar stools tucked under it. Behind the counter, a well-stocked backbar is visible, featuring shelves of various bottles and a warm, ambient lighting scheme. Several pendant lights with cylindrical shades hang from the ceiling. The overall aesthetic is contemporary and sophisticated.

A photograph of a restaurant interior. In the foreground, there is a long, green, tufted booth with several rectangular tables set with white tablecloths and silverware. The background features a wall with a colorful, patterned wallpaper and a large window with a view of a city skyline. The lighting is warm and ambient.

Exceptional cuisine is supported by a specialty all-Australian wine list, served by the glass and bottle, while 7 classic cocktails, one for each day of the week or deadly sin (depending on your viewpoint), are mixed using premium handcrafted spirits. Coffee by Australian artisanal roasters Pablo & Rusty's, sourced and roasted in the most sustainable way possible, round out what is truly a unique dining experience. VEDA was thoughtfully designed by the team at KplusK and the space reflects a cosy, bright, organic, and fresh atmosphere.
