Our priority is your safety.

At Ovolo Hotels, we have implemented rigorous safety plans at all our properties in response to the COVID-19 pandemic. Our practicable plans are benchmarked, leveraged, and implemented with our employees' wellbeing top of mind. By doing so, we will also be able to open our doors and welcome our guests back safely.

Our existing plans and practices at all sites follow Federal and State Health Department Guidelines, including:

- OCDC 'Obsessive Commitment to Deep Cleaning' Programme
- Risk Assessments of each property
- Limiting the number of people in public areas and confined spaces
- Access to face masks, gloves and wipes
- QR code check-in and proof of vaccination in relevant states
- Revised web booking system to assist with identifying guests who are vaccinated and or not
- Sanitisation stations and a host of other practices
- We will keep on updating these plans according to global best practice benchmarks.

At Ovolo, we always like a bit of good clean fun – but in light of recent events, we've upped the ante on our approach, so you can relax knowing you're in good (thoroughly washed) hands.

Here are the hits we currently have on high rotation.

#1 **DON'T STAND
so close TO ME**

Sorry! 1.5 metres is as close as we can get to you these days (but don't take it personally, we'd hug you if we could).

#2 **Space Oddity**

When possible, we're leaving every guest room unoccupied for at least 24 hours between guests, so you can breathe easy.

#4 **I Feel
*Fine***

When you roll up, we'll ask you to confirm you feel 100% healthy and symptom-free, and to let us know if anything changes.

#5 **RIGHT HERE
WAITING**

Sorry, we've had to take away the buffets in our restaurants for now – but on the upside, you can enjoy being waited on hand and foot.

#3 **Am I Ever
*Gunna See Your
Face Again?***

Don't be alarmed by our staff's new accessories! They're currently wearing masks and gloves to keep everyone safe – but you'll see their pretty faces again soon.

#6 **So Fresh,
*So Clean***

We're doubling up on cleaning and disinfecting guest rooms and public spaces – and we're making sure hand sanitiser and disinfectant wipes are always within easy reach.

#7 **U
CAN'T
TOUCH
THIS**

Jokes – we're keeping all 'high touch' surfaces clean as a whistle, and we've removed some unnecessary bits and pieces from your room to minimise any risk.

#8 **NO MONEY,
PROBLEMS**

We've got contactless payments available where possible, so you can leave your cash at home.

#9 ***Hot Stuff***

We're checking temperatures of all our staff before they start work, for extra peace of mind.

#10

With A Little Help From My Friends

Our staff are all getting plenty of hygiene training to help keep this a happy, healthy place to be. If they ask you to do something, please do us a favour and go along with it. After all, we're all in this together.
