**THE INCHCOLM**

BY OVOLO

# Inchcolm Wedding, **WE DO**

We specialise in  
**YOU-nique weddings.**

Forget what everyone else thinks, your wedding is all about YOU. Your wedding is how you and your partner are presented to the world as a couple. At The Inchcolm we work closely with our happy couples, to make them even happier. A wedding that could only be yours.

### **Classically Boutique.**

Perched above Brisbane's CBD, retreat, rendezvous, revel or all the above at The Inchcolm By Ovolo.

The neo-Georgian design with an edge pays homage to the building's time of prestige and resident physicians, with subtle hints of musical undertones and an air of rhapsody.

You are invited to explore a world full of tiny treasures, curiosities and eclectic art pieces all coming seamlessly together creating a space to choose the perfectly cosy spot and unwind, relax, or enjoy a tippie or two in solitude.

Think Gertrude Stein's Paris salon, where Hemingway, Fitzgerald, Picasso, Banksy, Lennon and Bowie would comfortably rub shoulders while sharing trailblazing ideas and indulging in bistro and bar classics.

# Whatever your style is, we're up for it!

Our true boutique hotel offering with an exciting fresh design-led property for the city of Brisbane.

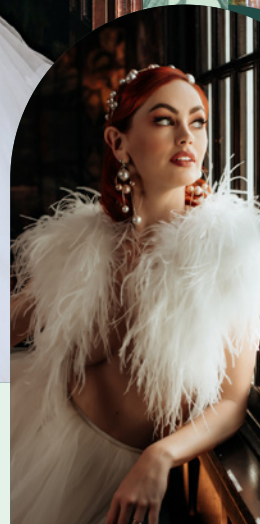

So whether you want out-of-the-box, or something classic - it's an amazing backdrop that we'll artistically tailor to your own signature style.
