

# THE INCHCOLM

BAR

Perched above Brisbane's CBD, retreat, rendezvous, revel or all the above at The Inchcolm By Ovolo. The neo-Georgian design from late 1800's pays homage to the building's time of prestige and resident physicians, with subtle hints of musical undertones and an air of rhapsody. You are invited to explore the golden age of bistro dining with timeless classics and edible prescriptions. A carefully crafted cocktail menu pays tribute to a bygone era when cocktails were clinically endorsed, spirits were king, and bartenders celebrated. We invite you to choose the perfectly cosy spot and unwind, relax and enjoy a tipple or two in solitude.

*Friends call her Inchy, we invite you to do the same*
