Monster Kitchen & bar

Our approach to food.

At Monster Kitchen & Bar, our special events menus are designed based on the four distinct seasons. Using seasonal produce, sourced locally from boutique growers and farmers of the Canberra region, we aim to support local organic farmers whenever possible. We strive to respect all food items and to prepare every ingredient to the best of our ability, all while minimising water usage and waste, using the precinct's composting centres where possible.

Superb Accommodation.
