EVENTS WITH ATTITUDE

→ All events are not created equal.

Each event has its own flavor. Spaces transform to inspire innovation. They transform again to express the joy of a celebration. Whether it be work or pleasure, spaces adapt to create events worth remembering.

Few locations like Komune can handle events that range in attitude and flavor. Situated in the Southside, Komune is an escape within the city limits of Hong Kong island.

If you're seeking that extra oomph that will give your events a fresh and fabulous makeover, well, you've found it!

BEFORE WE DIG IN, WE DRINK UP!

B&F is the way we roll at Komune. Our beverage menu has been carefully crafted with the artistic touch of the Cocktail Professors. To get an 'A' in their school of mixology, the flavors must tell a story.

Genius is always branded crazy. Chef El Palanca wears his enigmatic reputation as a badge of honour! He brings the soul of South American classics into the oriental kitchen. With their centuries rich spices at his fingertips, your favorite dishes are reborn.

KOMUNE

CHEF EL PALANCA

Spanish-born chef Alvaro Ramos heads up the Komune kitchen.

Hailing from Madrid, Alvaro started out by working his way up the Michelin-ladder, through a number of starred restaurants in his home country. Crossing oceans to Asia, he then fell under the tutelage of fellow Spaniard chef Willy Trullas Moreno in Shanghai, before striking out on his own with his move to Hong Kong.

An avid traveller, he's literally bringing his adventures to the table, with a menu inspired by his jaunting ways.

MAXI ELIAS

Maxi Elias leads the Komune operations team.

A lifelong career in the hospitality trade saw Maxi kick things off at the tender age of 18 in Argentina. He slowly worked his way up, from bellboy to in-room attendant, head bartender to restaurant manager, before being offered the once-in-a-lifetime chance to open a restaurant in Hong Kong.

Maxi was crucial in cementing Braza as the city's preeminent Brazilian steakhouse, and comes to Komune with a wealth of experience under his belt.
