EVENTS WITH ATTITUDE

→ All events are not created equal.

Each event has its own flavour. Spaces transform to inspire innovation. They transform again to express the joy of a celebration. Whether it be work or pleasure, spaces adapt to create events worth remembering.

Few locations like Komune can handle events that range in attitude and flavour. Situated in the Southside, Komune is an escape within the city limits of Hong Kong island.

If you're seeking that extra oomph that will give your events a fresh and fabulous makeover, well, you've found it!

BEFORE WE DIG IN, WE DRINK UP!

B&F is the way we roll at Komune. Our beverage menu has been carefully crafted with the artistic touch of the Cocktail Professors. To get an 'A' in their school of mixology, the flavours must tell a story.

KOMUNE

The soul of South American classics brought into the oriental kitchen. With their centuries rich spices at our chef's fingertips, your favourite dishes are reborn.
