Open to couples and small groups of up to 10, this special package allows each guest to save up to \$173. The package includes a 35% [BridgeClimb Unlocked](#) climb and a 16% saving on a sleepover at the Ovolo Woolloomooloo. On top of the great value, those who book receive exclusive value-add with each venue including a complimentary cocktail upon arrival at OTTO Sydney and complimentary BridgeClimb framed photo. At Ovolo, their signature inclusions, The Perks - breakfast, in-room mini bar and snacks, are all included plus a 1pm late checkout.

All arrangements will be taken care of by a personal BridgeClimb Event Coordinator who can assist with additional arrangements to enhance your experience even further. Options to upgrade to a Twilight Climb and enjoy a limo/Tesla or water taxi transfers are available. Flowers for your loved one on arrival? Or even a private musician? The sky is truly the limit.

"We've curated this bespoke partnership with Ovolo & OTTO to showcase an example of the amazing experiences possible for locals on their doorstep. Climb, Dine & Stay is perfect for those looking to celebrate and spend a dream weekend around Sydney's beautiful harbour. "We are delighted to partner with BridgeClimb and Ovolo as part of the BridgeClimb Pinnacle experience. Now, more than ever, it's important to revel in being a tourist in your own backyard and this experience allows you to enjoy the very best of what Sydney has to offer," says Jeremy Courmadias, General Manager of Fink (parent company of OTTO Sydney).
