## Introduction

Welcome to  
a world full  
of wonder

At Ovolo, our pulse beats to a different drum, where every moment in every hotel is filled with delightful surprises, inspired individuals, and creative curiosity.

If you are seeking an inspired central setting oozing with quirkiness and eccentric vibes to transform an okay event into a something mind-blowingly amazing, well... you've found it.

Experience a place where wonders never cease.

A photograph of a conference room with a distinctive interior design. The walls are covered in a green and gold patterned wallpaper, framed by a red grid. Several long wooden tables are arranged in the room, each with black chairs that have green upholstered seats. Water bottles and small snacks are placed on the tables. A large window with a dark curtain is visible on the right side of the room.

# Our priority is your safety.

At Ovolo Hotels, we have implemented rigorous safety plans at all our properties in response to the COVID-19 pandemic. Our practicable plans are benchmarked, leveraged, and implemented with our employees' wellbeing top of mind. By doing so, we will also be able to open our doors and welcome our guests back safely.

**Our existing plans and practices at all sites follow Federal and State Health Department Guidelines, including:**

- OCDC 'Obsessive Commitment to Deep Cleaning' Programme
- Risk Assessments of each property
- Limiting the number of people in public areas and confined spaces
- Access to face masks, gloves and wipes
- QR code check-in and proof of vaccination in relevant states
- Revised web booking system to assist with identifying guests who are vaccinated and or not
- Sanitisation stations and a host of other practices
- We will keep on updating these plans according to global best practice benchmarks.

At Oryō, we always like a bit of good clean fun – but in light of recent events, we've upped the ante on our approach, so you can relax knowing you're in good (thoroughly washed) hands.

Here are the hits we currently have on high rotation.
