**QUARANTINE IS ALL ABOUT THE FREEDOM AT OVOLO**

Ovolo Hotels, an award-winning boutique designer hotel collection, is celebrating Hong Kong's latest announcement to the changes to quarantine regulations with the release of a new Quarantine accommodation offering - Quarantine Concierge 7.0.

Commencing 1<sup>st</sup> April, Hong Kong's flight ban on 9 countries has been lifted and quarantine has been reduced to a short seven days. After patiently waiting for this good news, it is only right to celebrate – the Ovolo way – with a refreshed quarantine offer and even more flexibility.

Ovolo Southside and Ovolo Central are already the leading hotels on the designated quarantine hotel list, by providing guests with exceptional service and the freedom of choice throughout their mandatory stay. Quarantine Concierge 7.0 will provide this and more, transforming the compulsory period into an enjoyable staycation with all the inclusions. Plus, rest easy knowing if your plans change, so can your reservation. Ovolo is all about freedom, which is why up until 14 days to check-in, guests have the freedom to cancel.

Quarantine Concierge 7.0 places physical and mental health at the forefront. Ovolo's Masterclass program provides access to daily classes ranging from meditation to HIIT, including yoga, wellness, singing bowl, fitness, and meditation. All hosted by small locally owned businesses.

Additionally, with the announcement of Ovolo's recent partnership with ClassPass, Ovolo Quarantine guests can experience the platform complimentary for two weeks complete with 20 credits and 50% off all classes on their trial.

With meal options at the centre of consumer choice, Ovolo have chosen to go bolder, better and more balanced, while also ensuring to provide more options to satisfy every guest and every palette. Catering to all types of dietaries from vegan to celiac. Guests have 28 choices in a week with 4 options to choose from per day. Of course, variety is key, so each day guests have a vegan/low-carb option, one indulgent vegetarian option, one meat/seafood option, and one hearty salad bowl option.

From breakfast to happy hour to your evening nightcap, it's all taken care of and anything you need from the outside world, our concierge will be on hand to arrange it for you.

Inclusive of 3 daily meals per person, free daily in-room happy hour drink and snacks, free welcome mini bar, free welcome Loot Bag, free unlimited premium Wi-Fi, free local calls, and in-room Apple TV and Alexa.

Finally, Ovolo Hong Kong properties will overhaul rooms to create more space for families to quarantine in comfort without sacrificing the perks.

“Quarantine Concierge has been one of the most successful campaigns Ovolo Hong Kong has ever seen and is also the first ever one to be tailor-made by our guests, for our guests. To celebrate being part of the DQH 7<sup>th</sup> cycle and more importantly, the 7-day duration, Quarantine Concierge 7.0 once again aligns to our guest-first values, and this time we are providing guests with even more choices and flexibility,” says Girish Jhunjhnuwala, Founder and CEO of the Ovolo Group.

Ovolo is looking forward to welcoming international travellers to Hong Kong with open arms – under their PPE gear of course.
