Hong Kong (28 October 2024) – Calling all singletons! It's time to celebrate **11.11**, and Ovolo has something extra special lined up for you. Whether you're flying solo or happily coupled up, we've got a deal that's too good to resist this Singles Day. Stay 2 nights for the price of 1 in our premium rooms and suites. Why? Because you deserve it!

What's Singles Day, Anyway?

Singles Day, also known as "Double 11", is celebrated annually on **November 11th**, a date that symbolises four singles standing together in solidarity. Originally started by students in China in the 1990s, Singles Day was created to celebrate singledom and has since grown into the world's largest shopping event, AKA, Asia's answer to Black Friday.

Whether you're single by choice, chance, or somewhere in between, it's a day to recognise all forms of love. Love between friends, family, and most importantly, self-love. As the legendary Oscar Wilde once said, "To love oneself is the beginning of a lifelong romance." So, why not pamper yourself this Singles Day? After all, in our eyes, true luxury is the feeling of being loved and looked after.
