About Ovolo Group:

The Ovolo Group was founded by entrepreneur Girish Jhunjhnuwala and first entered the real estate market in 2002; then further expanded into the hotel industry in 2010. Ovolo Hotels quickly became one of Hong Kong and Australia's most dynamic independent owner-operated hospitality firms by providing guests with the best in effortless living across hotels and food and beverage outlets.

The Ovolo Group is a collection of contemporary hotels that keep you connected to the little luxuries you love, all effortlessly included. The company prides itself on being in touch with the modern traveller through award-winning interior designs, details-driven comforts, complimentary value-added services like the mini bar and breakfast, with cutting-edge technology. Ovolo Hotels have been acknowledged for Hotel and Accommodation Excellence, receiving the accolade "Hotel Brand of the Year", at the 2019 and 2020 HM Awards. A proud Hong Kong brand, Ovolo Group remains a family-owned and privately-operated business operating four hotels and three restaurants in Hong Kong, and eight hotels and seven restaurants across Australia in Sydney, Melbourne, Canberra and Brisbane.

Ovolo also has the By Ovolo Collective within its portfolio of hotels, a distinctive collection of four hotels. These include Nishi Apartments in Canberra Australia, The Sheung Wan by Ovolo and The Aberdeen Harbour in Hong Kong, and Mamaka Kuta Beach in Bali Indonesia.

Ovolo acknowledged the Traditional Owners of the lands on which we are located. We recognise their continuing connection to the land, waters and culture, and pay our respects to their Elders past, present and emerging.
